

The McKenzies are requesting help for Evelyn who has had a stem cell transplant and will be coming home from the hospital the third week of September.

Volunteers are needed for weekdays to come to the house; prepare 1 or 2 meals; take her to appointments at Hillman Cancer Center several times a week; and track medications.

All Covid procedures are in place.

If you have questions and/or are interested in helping out half-days, please call Diane McKenzie, at 412-793-9379.
